96 TO CONSIDER REQUEST FOR NEW FINGER POSTS (Appendix B)

96.1 Members discussed the request and Cllr Skelt offered to look into the costs, what permissions are required, and what type would be the most sustainable. The first post was suggested for Churchdown Park to show where the various parts and activities are.

97 TO REVIEW GRASS CUTTING SCHEDULE AND RESPONSIBILITIES (Appendix C)

97.1 A map is being compiled showing the areas CPC are responsible with that of TBC and Highways. If there is any land not covered then the landowner will be contacted.

97.2 It was acknowledged that the weeds in certain areas was a problem. Members suggested that a volunteer group could be looked into, similar to that of the litter picking group, to help with weeding and tidying areas around the Parish. In the meantime the Deputy Clerk will get quotes for weed clearance on the bridges.

HD

98 TO CONSIDER NAMING THE NEW ACCESSIBLE PATH OR INSTALLING PLAQUES TO COMMEMORATE THE NOTABLE RESIDENTS.

98.1 It was agreed that neither naming the path nor placing plaques were viable options. A member would try and contact the resident whose mother was the instigator for the path and see if they were available to attend the fun day on the 20th July.
